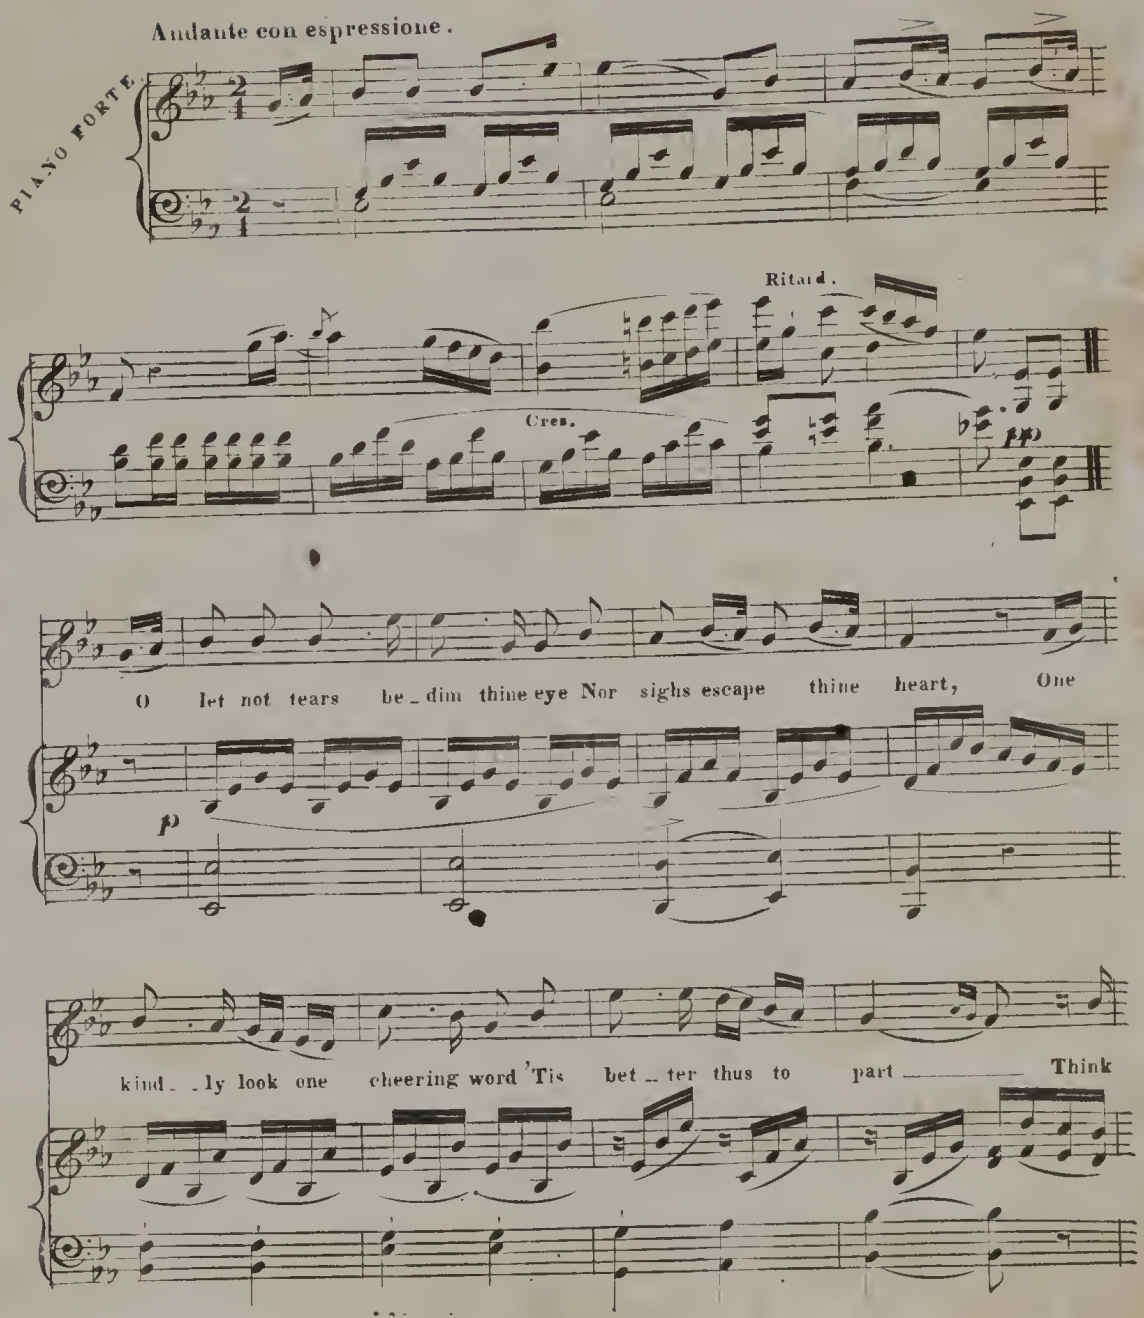
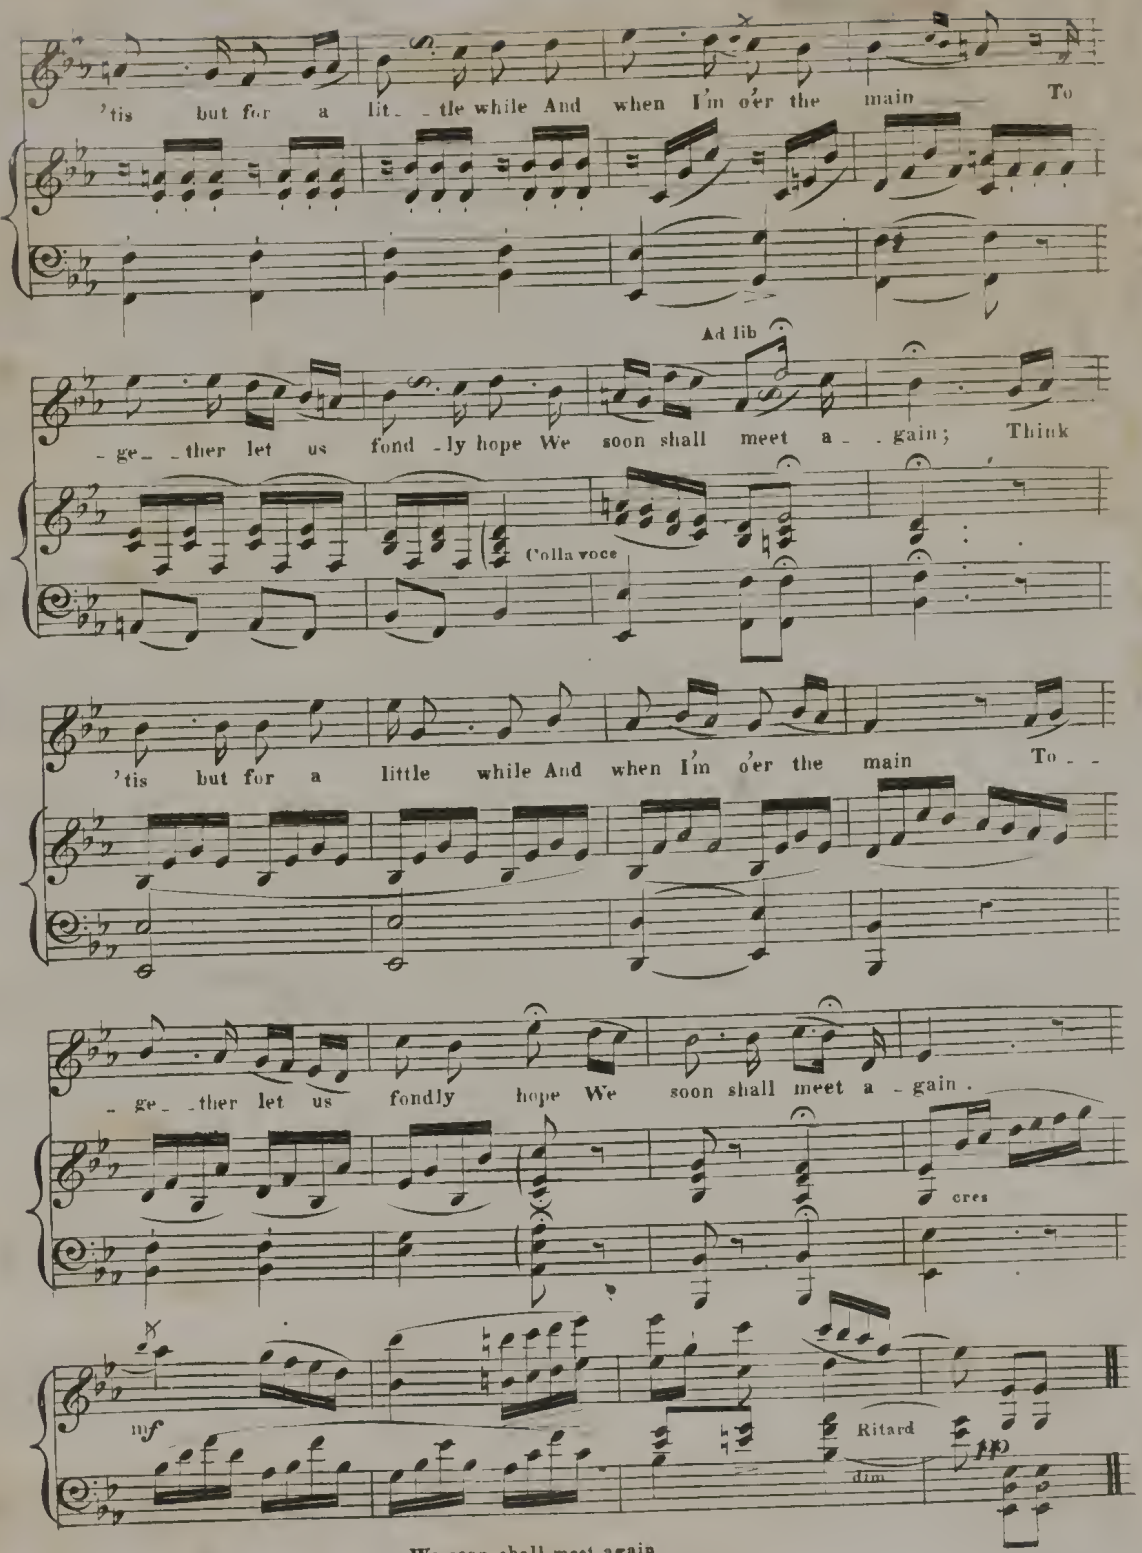
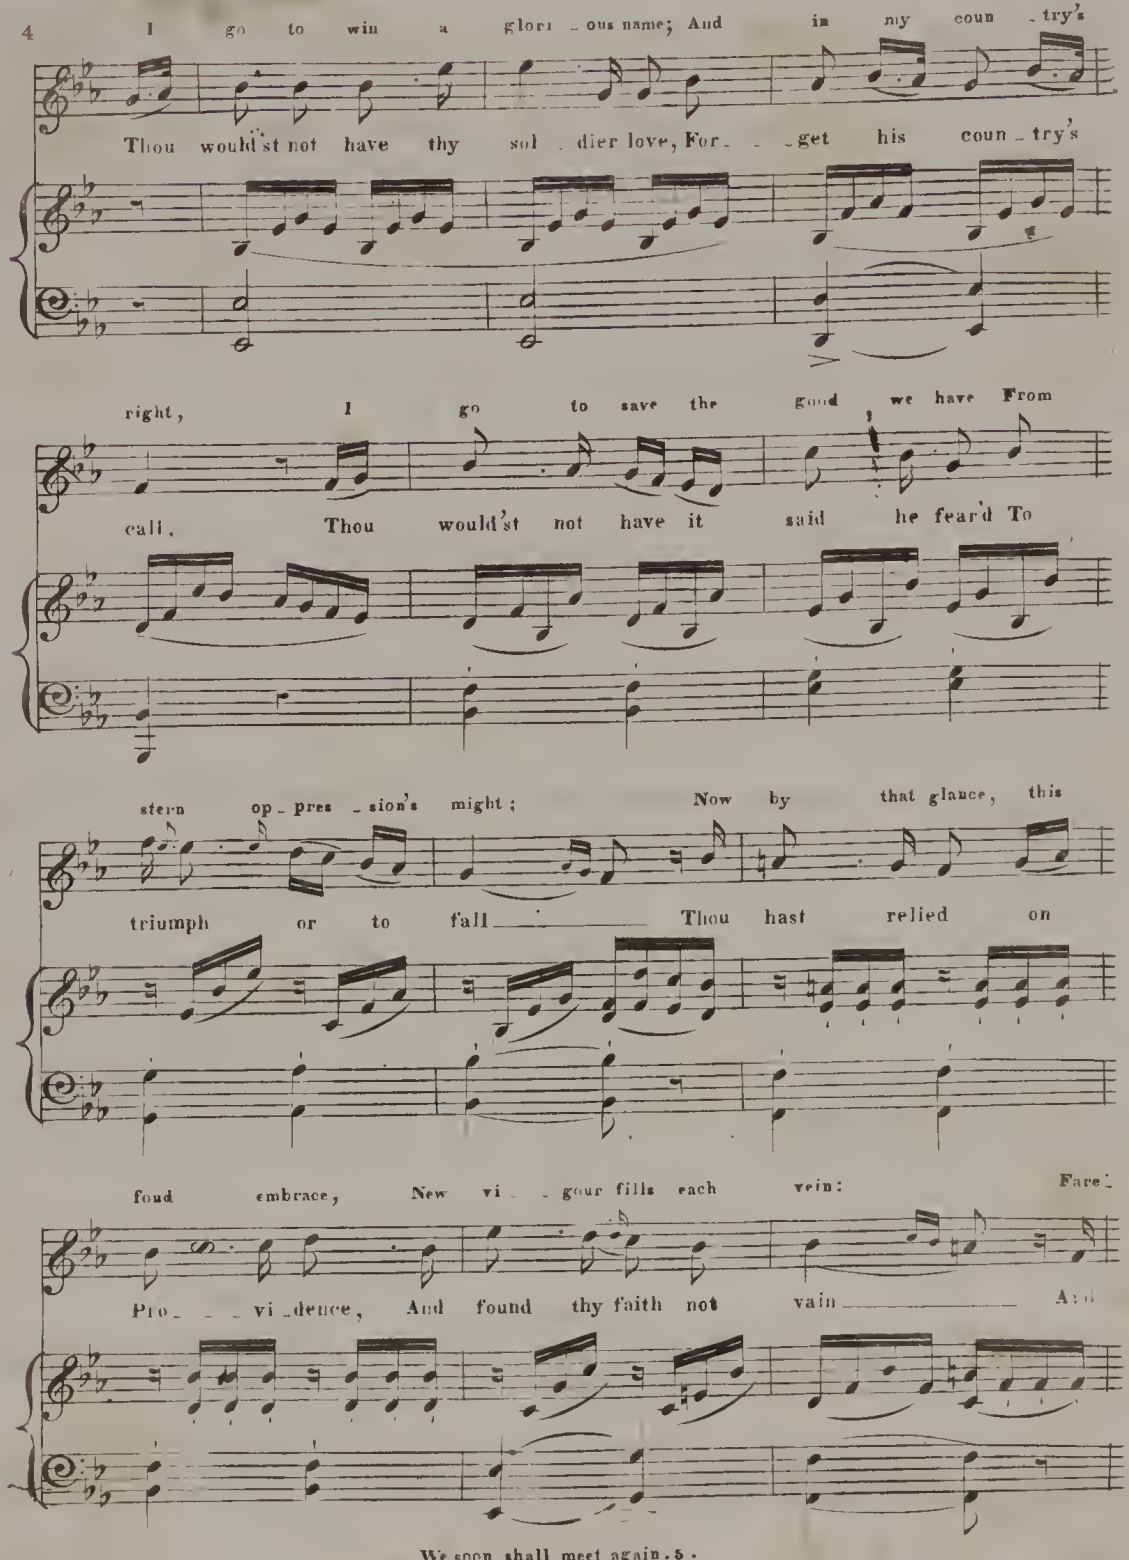
WE SOON SHALL MEET AGAIN.

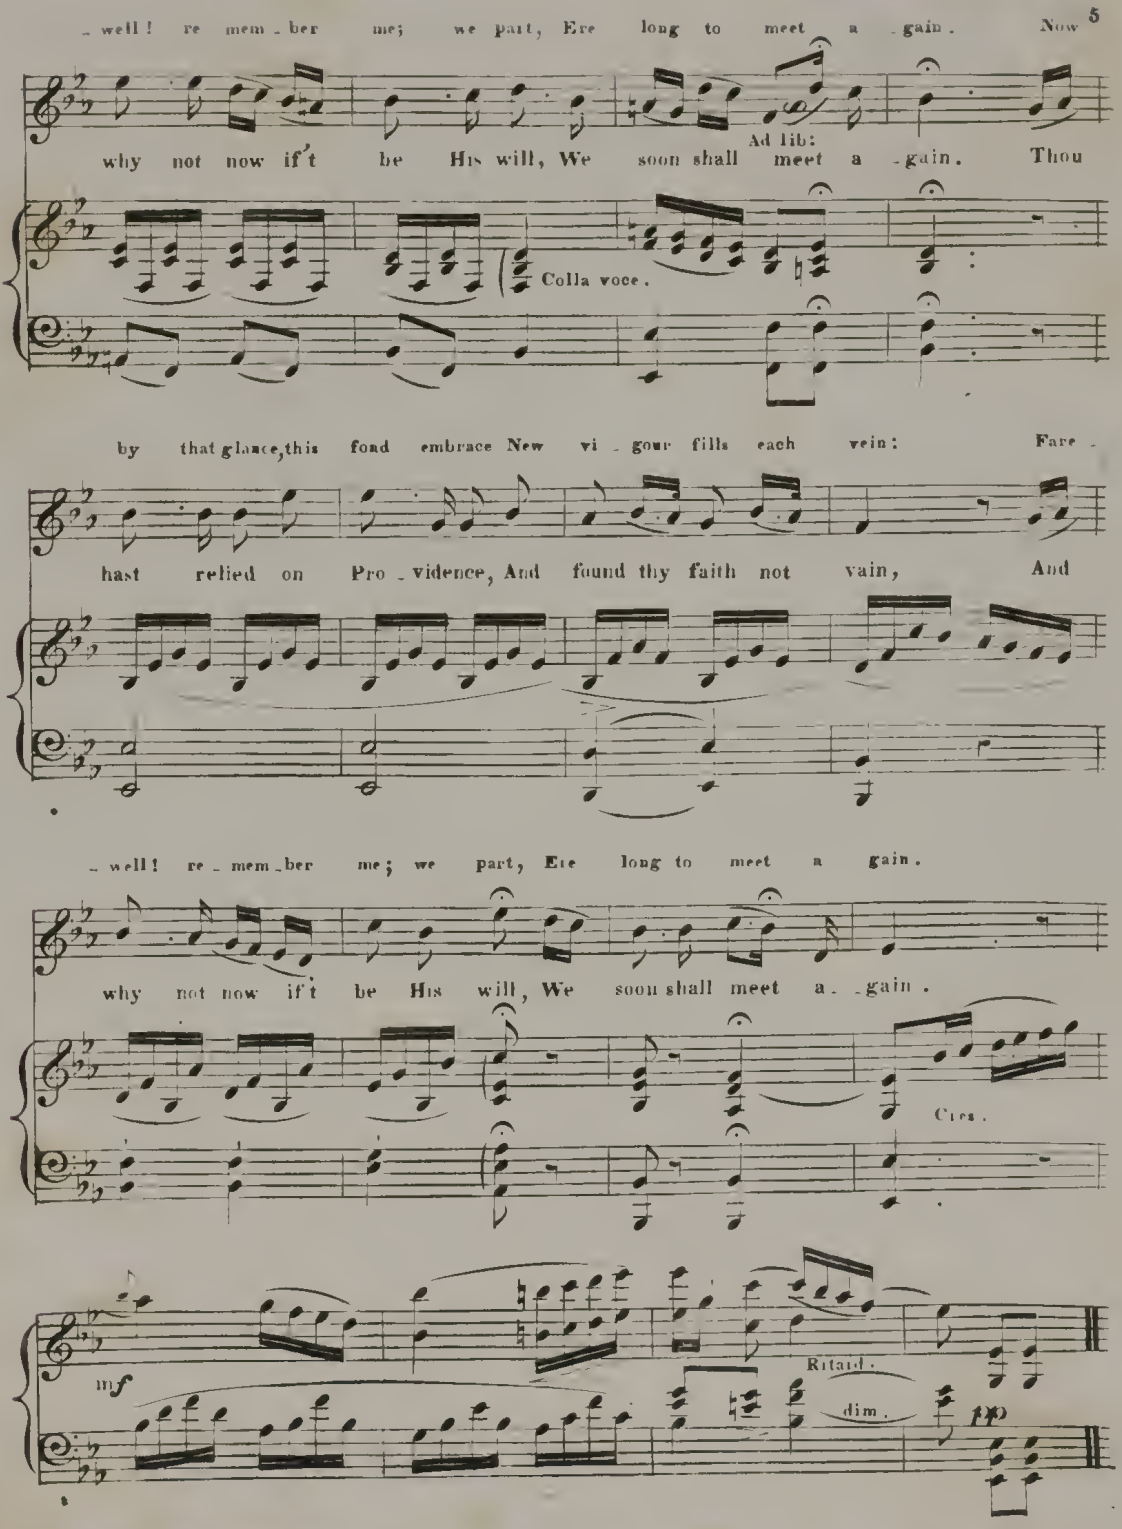




We soon shall meet again .



4 I go to win a glori - ous name; And in my coun - try's
Thou would'st not have thy sol - dier love, For - - - get his coun - try's
right, I go to save the good we have From
call, Thou would'st not have it said he fear'd To
stern op - pres - sion's might; Now by that glance, this
triumph or to fall — Thou hast relied on
fond embrace, New vi - - gour fills each vein: Fare-
Pro - - - vi - dence, And found thy faith not vain — And



We soon shall meet again.
